Program overview

Services

Locations

The New Oakland FACE to FACE Partial Hospital Program (PHP) is for individuals who face serious mental health or substance abuse symptoms but may benefit from an intensive outpatient program experience **as an alternative to** psychiatric or substance abuse inpatient hospitalization.

In addition, the PHP is a very important post-discharge treatment option for strong continuity of care **after inpatient hospitalization.**

Key features of the New Oakland's FACE to FACE PHP

- **Daily outpatient intensive therapy** from 9:00 am-3:00 pm, Monday through Friday.
- Organized into **separate age-appropriate group programs**: children, teens and adults.
- Patients **return home daily and on weekends** to be with family and community.
- **Evaluation and treatment by a multi-disciplinary professional staff** including psychiatrists, medical physicians, nurses, social workers, psychologists, professional counselors and other behavioral health professionals.

- **Immediate psychiatric evaluations**
- **Psychiatric medication management**
- **Daily individual/family therapy**
- **Twice daily group therapy**
- **Comprehensive substance abuse care**
- **Specialty eating disorder PHP**
- **Psychological testing**
- **Daily psycho-education groups**
- **Nursing evaluation and care**
- **School collaboration (children/teens)**
- **Immediate post-inpatient appointment**
- **FREE transportation**
